- Data Structures and Algorithms
- C/C++ Programming(Intermediate)
- Java Programming(Intermediate)
- Python Programming (Intermediate)
- Full Stack Web Development.
 - javaScript
 - WordPress(Maintained Over a Server using a hosting Service)
 - Bootstrap4
 - PHP
 - MySQL Database (Worked with PHP and MySQL Simultaneously)

COMMUNICATION

- Good Command over Spoken English and Hindi.

Hobbies

SKIPPING ROPE

- I love this Sport for the fact that skipping ropes are so cheap and portable , plus doing it regularly increases you endurance and keeps you fit.
- It also provides great upper body training.

COMPETITIVE CODING

- I love doing it because it allows you to compete over a huge crowd.
